Introducing “Elevate 2024”, a brand new program for youth ages 10-17.

Designed by Camp DeWolfe and the Episcopal Diocese of Long Island, this program will challenge campers to “Elevate” their perception of God, one another, and themselves, through adventure, community, and fun!

Visit our website to apply for our family scholarship program. Transportation may be offered to/from the Cathedral of the Incarnation in Garden City for campers attending “Elevate 2024”.

Don’t miss out on the best time of this summer as we “Elevate” our understanding of what God has in store for all of us!
